## Summary

Dedicated and results-oriented MCA student with a passion for web and Android development. Possessing a strong foundation in C++ and Python, I am eager to apply my technical expertise to create innovative software solutions. Currently pursuing an MCA at Techno Main Salt Lake, I am actively seeking opportunities to contribute to open-source projects and gain practical experience. With a proven track record as a freelance web developer and the founder of Media Central, I am confident in my ability to deliver high-quality projects.
